

WAR ROOM books hit *New York Times* bestseller list

#1 Movie in America catapults companion book sales
The Battle Plan for Prayer and *Fervent* offer people a plan for strategic prayer

NASHVILLE, TN – September 25, 2015 – B&H Publishing Group is proud to announce that two of their companion book products for the WAR ROOM film have landed on the *New York Times* bestseller list. *Fervent: A Woman's Battle Plan to Serious, Specific and Strategic Prayer* by Priscilla Shirer will appear at #3 and *The Battle Plan for Prayer: From Basic Training to Targeted Strategies* by Alex & Stephen Kendrick will appear at #13 on the *Advice, How-To, and Miscellaneous* list on October 4, 2015.

Fervent is a hands-on, knees-down, don't-give-up action guide to practical purposeful praying. Shirer brings her role from the film into the real lives of today's women, addressing the topics that affect them the most: renewing their passion, refocusing their identity, negotiating family strife, dealing with relentless regrets, navigating impossible schedules, succeeding against temptation, weathering their worst fears, uprooting bitterness, and more.

"It has been a gift to watch the swell of enthusiasm around the WAR ROOM movie and *Fervent*," said Priscilla Shirer. "I believe so strongly in this message about prayer, and I am sincerely grateful to be part of bringing it to the forefront of the national consciousness once again. My hope is that the book will continue to stir people to seek God in fervent prayer. He is and has always been the answer."

The Battle Plan for Prayer is designed to help anyone learn how to become a powerful person of prayer. It begins with prayer's core purpose, its Biblical design and its impact throughout history. Readers are guided scripturally through the fundamentals of how effective prayer works, inspired towards a closer, more intimate relationships with God, and shown how to develop specific prayer strategies for each area of life.

"We are so excited about the response to the movie WAR ROOM," said Alex & Stephen Kendrick. "The fact that tens of thousands of people are reading the companion book, *The Battle Plan for Prayer*, means that they are serious about going deeper in their prayer life. May God raise up a generation that fights on their knees and seeks Him with their whole heart! We are so encouraged. Praise God!"

"Working with Stephen and Alex Kendrick as well as Priscilla Shirer has been an absolute blessing for WAR ROOM the movie and B&H," noted B&H Publisher Jennifer Lyell. "They have been so faithful in prayer with the vision of both *The Battle Plan for Prayer* and *Fervent*. God has been using these books in tremendous ways to call people to prayer."

WAR ROOM is the highly anticipated fifth film from Alex and Stephen Kendrick (*Fireproof*, *Courageous*, *Facing the Giants*, *Flywheel*) and it debuted in theaters on August 28 from Sony Pictures Entertainment's TriStar Pictures. It is a compelling faith drama that explores the power prayer can have on marriages, parenting, careers, friendships and every other area of life. The film quickly rose to be the #1 movie in America during its second week at the box office.
